Club Corner: Updates & Highlights from our recent Board Meeting

Your SSOTHG Board of Directors recently met for a productive session to review club operations, plan upcoming activities, and look ahead to the future of our vibrant community. Here is a rundown of key discussions and updates:

Leadership, Volunteering & Committee Updates

As our club continues to grow and thrive, the board is focusing on long-term succession planning and creating more opportunities to bring members into leadership roles. We currently have 336 members participating in a wide variety of activities. To better structure our offerings and reflect how our group operates:

Creation of the Events Committee: A new Events Committee is being formed to oversee all club gatherings outside of restaurant dinners—including happy hours, the summer social, potluck dinners, and game nights. As this committee moves forward, we hope to see even more exciting additions to our calendar, such as a winter social!

Volunteers Needed! We are actively seeking members to join the Events Committee. This is an excellent, flexible opportunity for anyone wanting a light leadership role—you can participate as much as you like or choose to help coordinate just a single annual event. Please contact Teresa Lee (teresalee333@gmail.com) to become involved in this exciting opportunity.

Dine Out Committee: The former Social Committee has been officially renamed the Dine Out Committee to more accurately reflect its core historical and ongoing role of organizing, coordinating and expanding our group restaurant dining experiences.

We are deeply grateful to all the members who have expressed a willingness to step up and volunteer to keep SSOTHG energetic, engaging, and member-led!

Thank you to all our members for making the Steamboat Springs Over the Hill Gang such an active, welcoming, and wonderful group. Stay tuned to the website calendar for updates on upcoming events, dining outings, and activities!

Cookbook Dinner Club

Cookbook: Cooking with Shereen - Rockstar Dinners

Date: November 16th

Time: 6-8pm

Where: Steve and Beverly Hayes Home

Cookbook Club is a social event held almost every 3rd Monday /month. It is a community for people of all cooking abilities to meet and build cooking skills and friendships over food, one cookbook at a time.

At OTHG HAPPY HOURS (Tuesdays) prior to the Dinner, members sign up and choose a recipe from the cookbook for the month; take a picture of the recipe you have chosen, and don't improvise on the recipe.

Bring only the dish you have prepared. Silverware, dishes, etc. will be provided by the hosts. Also bring your own beverage. The group will enjoy and discuss the different dishes.

Special Note: Please no politics at dinner. This is a social gathering. There are so many other topics to discuss and we want to focus mostly on cooking!

We are looking for HOSTS! The number of participants is determined by the host's seating availability.

Botanic Park

Where: All Seasons Garden near the tool shed in the Botanic Park

Done for the Season

The OTHG Garden has been readied for winter by Emily Seaver and her helpers. Check back in the spring if you're interested in volunteering in the garden.

For more information call Emily at 970-819-8818

Gym Membership Reimbursement

Did you know that your Medicare plan may qualify you to a no-cost or low-cost gym membership? While Original Medicare (Parts A & B) doesn't typically cover fitness programs, many Medicare Advantage (Part C) and some Medicare Supplement (Medigap) plans include this valuable benefit. Many of our members are currently taking advantage of this program.

These fitness programs are designed to encourage healthy aging, offering not just access to exercise equipment, but also specialized classes, virtual workouts, and social opportunities. Staying active can have tremendous benefits, including improved balance, strength, and overall well-being.
