### SAFeway PARKING LOT 9:50 AM

We will continue to meet at the Safeway parking lot every Saturday in April (weather permitting) at 9:50 AM so we can decide where we will snowshoe. If there is not enough snow to snowshoe, we will hike instead, so bring appropriate footwear (Boots, perhaps spikes of some kind if icy). For more information, please check out our web page at <https://www.ssothg.org/snowshoeing>. If you have any questions, please send an email to Lynn at [snowshoe@ssothg.org](mailto:snowshoe@ssothg.org)

**BIKING TO RETURN IN JUNE**  
**ROAD BIKE RIDES - TUES/THURS**  
**GRAVEL BIKE RIDES - FRIDAYS**

Pump up those tires and lubricate your chains. Regularly scheduled road bike rides and gravel biking rides will return in June. The **road bike rides** will continue to go out each Tuesday and Thursday morning, weather permitting, from River Creek Park. Watch the Activities calendar on the [Ssothg.org](http://Ssothg.org) web page for start times.

The first gravel road ride of 2021 is scheduled for Friday, June 4. We will meet at River Creek Park at 9:00 a.m., with bikes on cars and drive to the start of our route. The routes will be posted on the Activities calendar.

We will continue to do our best to maintain appropriate social distance during our rides and breaks. Outdoor activities appear to be an effective way to avoid viral spread, so we will be happy to use all of the air in northwestern Colorado as our ventilation system!

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every sale, purchase, and payment must be properly documented to ensure the integrity of the financial statements. This includes recording the date, amount, and purpose of each transaction.

Next, the document outlines the process of reconciling bank statements with the company's internal records. This involves comparing the bank's records of deposits and withdrawals with the company's own records to identify any discrepancies. Any differences should be investigated and resolved promptly to avoid errors in the financial reporting process.

The document also addresses the need for regular audits and reviews. It states that periodic audits by independent accountants can help identify potential issues and ensure that the company's financial practices are in compliance with applicable laws and regulations. Regular reviews by management can also help identify areas for improvement and ensure that the financial system is operating efficiently.

Finally, the document provides guidance on how to prepare and present financial statements. It stresses the importance of clarity and transparency in the reporting process, ensuring that all relevant information is disclosed and that the statements are easy to understand for all stakeholders. The document also provides examples of how to format financial statements and how to explain any significant changes or trends.
